Actuary Exam P Study Guide
If you’re studying for Exam P soon, I highly recommend you invest in some high-quality study materials. In this post, I’ll be comparing the most popular options and helping you decide which materials are right for you.

An actuary is a business professional who deals with the measurement and management of risk and uncertainty (BeAnActuary 2011a). The name of the corresponding field is actuarial science. These risks can affect both sides of the balance sheet and require asset management, liability management, and valuation skills (BeAnActuary 2011b). Actuaries provide assessments of financial security systems...

All actuaries providing any Statement of Actuarial Opinion (SAO), oral or written, in the U.S. in a calendar year must comply with the USQS. Considering the broad definition of an SAO in the USQS, it is highly likely that any actuary performing Actuarial Services will at some point during the course of his or her work issue an oral or written statement that meets the definition of an SAO.
