High Commitment High Performance

High-performance teams (HPTs) is a concept within organization development referring to teams, organizations, or virtual groups that are highly focused on their goals and that achieve superior business results. High-performance teams outperform all other similar teams and they outperform expectations given their composition.

High-performance work systems (HPWS) are a group of separate but interconnected human resource (HR) practices – e.g. selection, training, performance appraisal, and compensation – designed to enhance employee effectiveness. Employees should have better skills, more motivation, and more opportunities to excel when these high-performance HR practices are aligned and working in harmony.

High-Performance Work Systems Affect Employee Attitudes ...
