Raising Engagement In E Learning Through Gamification Icvl
Raising Engagement In E Learning

Executive summary

Parental engagement is a powerful lever for raising achievement in schools. Where parents and teachers work together to improve learning, the gains in achievement are significant.

Engaging Parents in Raising Achievement

Do Parents Know...

The purpose of this study was to investigate how to facilitate learners' engagement and persistence in massive open online courses (MOOCs). Specifically, this study used structural equation modeling to examine the structural relationships among academic self-efficacy, teaching presence, perceived usefulness, and perceived ease of use, learning engagement, and learning persistence in MOOCs.

Sexual exploitation and abuse represents a catastrophic failure of protection. It brings harm to those whom we – the UN, NGOs or other international organizations – are mandated to protect and jeopardizes the reputation of our organizations.

PSEA Task Force

Civic engagement or civic participation is any individual or group activity addressing issues of public concern. Citizens acting alone or together to protect public values or make a change or difference in the community are common types of civic engagement. Civic engagement includes communities working together in both political and non-political actions.

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...
