**The Body Never Lies**

Body of Lies is a 2008 American action thriller film directed and produced by Ridley Scott. Set in the Middle East, it follows the attempts of the CIA and Jordanian Intelligence to catch "al-Saleem", a terrorist. Frustrated by their target's elusiveness, differences in their approaches strain relations between a CIA operative, his superior, and the head of Jordanian Intelligence.

Robert Gould Shaw (October 10, 1837 – July 18, 1863) was an American soldier in the Union Army during the American Civil War. Born into a prominent abolitionist family, he accepted command of the first all-black regiment (54th Massachusetts) in the Northeast and encouraged the men to refuse their pay until it was equal to the white troops' wage. At the Second Battle of Fort Wagner, a...

In terms of box-office, the year 2000 proved to be almost as successful as the groundbreaking 1999. As with last year, a North-Korean themed work dominated the theaters, with Park Chan-wook's Joint Security Area setting attendance records and placing itself in line to become the best-selling Korean film in history (as of year-end it will remain in second place just behind Shiri, however it is...

It's very hard for me to read people who defend Assange as a hero because they obviously believe him. While I haven't given Assange much time personally, I will say when he spoke out on Sean Hannity's show in 2017, he gave me a very clear window into his truthfulness, and I will tell you I wouldn't trust this man or his motives one centimeter.

Of all the people in the world that we lie to—and most of us tell fibs almost 20 times an hour, according to science —nobody gets lied to more often than strangers. When we say something untrue to a friend or a family member or even a coworker, it's hard not to feel guilty. But somebody we've never met before and might not ever see again, well, that's a different story.
