The Business Of Media Distribution
The global leader in press release distribution and regulatory disclosure. Public relations and investor relations professionals rely on Business Wire for broad-based and targeted market reach.

Distribution Lists | Business Wire
Distribution (or place) is one of the four elements of the marketing mix. Distribution is the process of making a product or service available for the consumer or business user who needs it. This can be done directly by the producer or service provider, or using indirect channels with distributors or intermediaries. The other three elements of the marketing mix are product, pricing, and promotion.

Home - Online PR Media
Individual or firm (such as an agent, distributor, wholesaler, retailer) that links producers to other intermediaries or the ultimate buyer. Distribution intermediaries help a firm to promote, sell, and make-available a good or service through contractual arrangements or purchase and resale of the item. Each intermediary receives the item at one pricing point and moves it to the next higher ...

distribution intermediary - Online Business Dictionary
A business magnate or industrialist is an entrepreneur of great influence, importance, or standing in a particular enterprise or field of business. The term characteristically refers to a wealthy entrepreneur or investor who controls, through personal business ownership or dominant shareholding position, a firm or industry whose goods or services are widely consumed.

Business magnate - Wikipedia
1. Communication channels through which news, entertainment, education, data, or promotional messages are disseminated. Media includes every broadcasting and narrowcasting medium such as newspapers, magazines, TV, radio, billboards, direct mail, telephone, fax, and internet. Media is the plural of medium and can take a plural or singular verb, depending on the sense intended.
