Just war theory (Latin: jus bellum justum) is a doctrine, also referred to as a tradition, of military ethics studied by military leaders, theologians, ethicists and policy makers. The purpose of the doctrine is to ensure war is morally justifiable through a series of criteria, all of which must be met for a war to be considered just. The criteria are split into two groups: "right to go to war ... 

Just war theory - Wikipedia
Just War Theory. Just war theory deals with the justification of how and why wars are fought. The justification can be either theoretical or historical.
