The Honey Badger My Only Fear
The Crazy Nastass Honey Badger is a YouTube viral video and Internet meme that first appeared on the Internet in January 2011. The video features commentary by a flamboyant, New York-accented narrator who is identified only as "Randall" that is dubbed over pre-existing Nat Geo Wild footage of honey badgers. Accompanying the narration is the Prelude from J. S. Bach's Cello Suite No. 6 in D ...

Some animals are boring, and that's fine: They're all gathering nuts or looking for mates or marking territory or some stupid s**t. Hey, you know, whatever floats your boat, squirrel. We prefer the animals that just straight don't give a f**k: the ones that punch sharks in the dick, ghost-ride somebody else's whip, beer-bong tequila and look you dead in the eye while plowing your girlfriend.
