The Role Of Traditional Food
The role of women in traditional Judaism has been grossly misrepresented and misunderstood. The position of women is not nearly as lowly as many modern people think; in fact, the position of women in halakhah (Jewish Law) that dates back to the biblical period is in many ways better than the position of women under American civil law as recently as a century ago.

A ketubah (Hebrew: כתובה, "written thing"; pl. ketubot) is a special type of Jewish prenuptial agreement. It is considered an integral part of a traditional Jewish marriage, and outlines the rights and responsibilities of the groom, in relation to the bride. In modern practice, the ketubah has no agreed monetary value, and is never enforced, except in Israel.
